

Welcome to the First Bulletin of 2024

We are excited to share with you Issue 1 of 2024, Inside Choice Aviation. We are on our way to a great start for our company this year with new contracts, our Choice Management System, programs, and employee spotlights. You will be able to read more of the details about these topics in our new newsletter, Chronicles of Choice Aviation, coming in June. We will be keeping you updated on everything going on each month with the bulletins and each quarter with our newsletters.

The focus in this bulletin will be safety. We will be providing safety communication for the front line. This will include safety tips and best practices to ensure that we all stay safe out there.
